*Introducing*

# LYRIC™ CLASSICAL

## ACOUSTIC MICROPHONE

The **Lyric Classical** now pairs our ground-breaking TRU•MIC technology with a high-fidelity preamplifier specially crafted for nylon string guitars. Engineered for live performances, the Lyric Classical provides much of the same benefits as external mic'ing while achieving unprecedented feedback resistance and isolation for the stage.

### FEATURES

- TRU•MIC technology
- Analog signal conditioning
- Output jack electronics
- Volume control
- Mic presence control
- Quick & easy installation
